Career in Civil Services

Civil Services:

A Constructive Means of Social Intervention

Civil Services have remained one of the preferred career paths for many students despite transformation in the role of public services and emergence of other career options since adoption of LPG in 1991 in India. The security of job, social recognition, diversity of the service profile and opportunity to serve our nation, are the prominent factors which drive a substantial pool of youngsters towards civil services. Given the prevalence of societal inequality, complex poverty, unemployment, imbalanced and exclusionary economic growth, the civil services are still perceived as offering a constructive means of social intervention. Hence, a sizable pool of youngsters still gets attracted towards civil services.

Union Public Service Commission

Our Constitution makers, anticipating the critical role of civil services in the upcoming project of an inclusive, secular and democratic nation as well as state building, provided for a constitutional body for the purpose of recruiting public services in India. This body, known as the Union Public Service Commission (UPSC), is tasked with conducting various examinations and the civil services examination (CSE) is one of the exams through which candidates are selected for different civil services.

The Unique Academy

UPSC coaching has become an ever-burgeoning sector, especially since the last two decades. There has been a fierce competition, where many new players are challenging the already established private coaching classes, government run guidance centers as well as the Edu-Tech companies. In such a scenario, it becomes too difficult for a novice aspirant to choose the best coaching center. Being fully aware of the time, money and energy invested by students, the Unique Academy has been sincerely trying to offer a reliable source of guidance. We sincerely believe that a civil services aspirant requires not only diverse academic abilities but also needs to have a deep commitment towards societal transformation through constitutional values of liberty, equality, justice, secularism and democracy.

In this context, the unique, through its multiple initiatives, has been assisting students in acquiring the essential attitude and aptitude for the civil services.

What makes us Unique!

Experienced Faculty

The Unique Academy (Pune, Mumbai and Delhi) has been imparting guidance to the students preparing for the Civil Service Examination (UPSC and MPSC) for nearly two decades. An enriching experience of teaching civil services aspirants for these many years has certainly become our strength, and we love to pass on this accumulated wisdom about the exact requirements for this exam. Our faculty members are true powerhouse of academic excellence and practical knowledge of the nitty-gritty of the CSE exam. Most of them have done masters and cleared NET/SET in their respective subjects and some of them have gone a step ahead and have obtained or are pursuing PhDs.

Extensive as well as Intensive Classroom Teaching

Classroom teaching is our strength. Our faculty members are full-time dedicated teachers, who take constant efforts to make the classroom interactions more engaging and fruitful through interactive method, as well as creative use of visual media and technology. Teachers emphasize on imparting conceptual clarity to the students, for concepts constitute building block of any subject.

Along with providing important tips to consolidate the sheer factual part of a subject, our teachers spend substantial amount of their effort on grooming students to inculcate analytical and critical thinking ability. It is made sure that even a tiniest doubt of every student is cleared and he/she gets maximum satisfaction and knowledge out of each and every session. At times, the students learn much more in the vibrant after-class discussions than they actually learn in the class!

Excellent Study Material

We take pride in the quality of our study material, which is both comprehensive and up-to-date. The reading material (class notes) is meticulously prepared by our faculty members with the assistance of a dedicated research team, by referring to excellent academic sources, field studies and research reports. The study material contains comprehensive notes on each topic covering the conceptual, factual and analytical aspects. Moreover, a separate study material on current and contemporary events pertaining all subjects is provided at every stage of this exam. We make sure that the study material enables the students to understand and critically reflect on a given topic and issue.

Personal Mentoring

Academy is fully aware of the fact that preparing for UPSC Civil Service Examination is a tough journey, which tests not just the academic abilities but also mental, emotional and moral strength of students. Many students experience peer pressure, emotional highs and lows, bouts of anxiety, frustration and even depression during this hard-hitting journey. The Unique Academy, through its mentorship program, stands shoulder to shoulder with the students at every step of the way, ensuring a robust mental and moral support system. And this support, quite often, proves to be the major factor and a turning point in a candidate's journey towards the goal.

UPSC Courses

One Year Integrated Batch

The civil services examination is known as one of the dynamic and challenging exams due to its multi-layered format and fierce competition. Our One Year Integrated batch for graduates caters to each stage of this exam through an extensive classroom teaching, elaborate and up-to-date study material, rigorous test series and personal mentoring. The initial 7-8 months are dedicated to Mains and remaining 4-5 months are used for the Prelims. It is followed by an extensive Mains test series after the prelims and subsequently a mentoring program to prepare for interview/personality test after the main exam. Thus, students are groomed to write the exam after attending this course.

Features of The Batch

Covers Prelims, Mains and Personality Test i.e. all the three stages of CSE

Special Module on Essay Writing

Interactive Classroom Teaching

Extensive classes for Optional Subjects

Sessions on Writing and Articulation

Individual Mentorship

Rigorous Test Series Program

Quality Study material on Static, Current & Contemporary aspects of the subjects

Interactions with our Toppers & Serving Officers

Special Module for Personality Test (Interview)

Hybrid Platform offers a blend of offline & online learning experiences.

Three Year Integrated Course

Preparing for UPSC CSE During Graduation

The civil services examination is known as one of the dynamic and challenging exams due to its multi-layered format and fierce competition. The often-used proverb 'well begun is half done' literally holds true about the preparation for these exams. Hence, the 'Three Year Integrated Course' designed meticulously by the Unique academy, seeks to fulfil this dire need. The core idea behind this course is to guide and assist students to prepare for CSE while pursuing their graduation. So that, undergraduate aspirants can undertake a well-planned study and be ready to appear for this exam immediately after graduation. This Course is spread out in three years and covers all the three phases of CSE.

IAS Foundation Course

Academy has been conducting IAS Foundation Course for the 10th-12th passed out students to introduce them to the UPSC civil services exam. This course contains, on one hand, lectures on important subjects including History, Geography, Economy, Polity etc., and on the other hand, sessions on reading newspaper, essay writing and co-curricular activities. Thus, the course aims at assisting students in assessing their interest in civil services exam and taking an informed decision about the same.

Courses for MPSC

One Year Integrated Batch

Our MPSC One Year Integrated Course caters to each stage of this exam through an extensive classroom teaching, elaborate and up-to-date study material, rigorous test series and personal mentoring. The initial 7-8 months are dedicated to Mains and remaining 4-5 months are used for the Prelims. It comprises of extensive test series program for prelims and mains as well as a mock interview mentoring program to prepare for interview/personality. Thus, students are groomed to write the exam after attending this course.

MPSC Module Series

The Module Series is designed for the purpose of sharpening the preparation for MPSC mains exam. This series contains dedicated modules on GS mains subjects including Indian Art, Culture and Heritage, Indian Society, Indian Polity, Governance, Social Justice and Internal Security, Environment, Ecology and Disaster Management, Indian Economy, Ethics and Essay. Teaching from the mains exam point of view, coverage of current and contemporary issues, comprehensive notes, discussion of expected questions and tips on writing answers are the salient features of this series.

3 Year Integrated Course:

Preparing for MPSC during Graduation

The scope of MPSC has widened multifold due to changes in the syllabus and pattern of MPSC main examination as well as the weightage of interview from 2025 exam. The often-used proverb 'well begun is half done' literally holds true about the preparation for this new exam. Hence, the 'Three Year Integrated Course' is designed meticulously for the undergraduates to prepare for new MPSC while pursuing their graduation. Through this course undergraduate aspirants can undertake a well-planned study and be ready to appear for this exam immediately after graduation.

MPSC Foundation Course

Academy has initiated recently a basic course named MPSC Foundation Course for the 10th -11th and 12th passed out students to introduce them to the MPSC civil services exam. This course contains, on one hand, lectures on important subjects including History, Geography, Economy, Polity etc., and on the other, sessions on reading newspaper, essay writing and co-curricular activities. Thus, the course aims at assisting students in assessing their interest in civil services exam and take an informed decision about the same.
